

**Command Core
System
Briefing to the
LSSWG**

14 Mar 00

HQ ACC/SGOP

Lt Col Alan Dooley

Outline

- **Command Core System Programmatic Info**
- **Software Functional Layout**
- **Laser Functional Characteristics**
 - **DEMO**
- **Engaging the CCS Program Office**
- **Close**

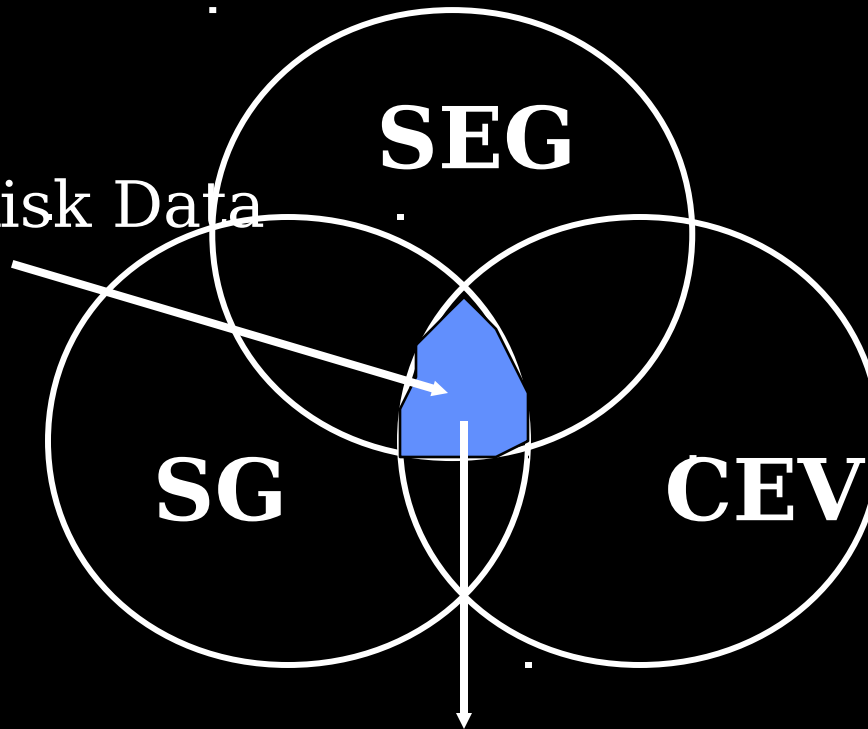

Programmatic Info

- **AF Environmental, Safety, and Occupational Health Database System**
- **Deployment Status**
 - **52 Bases**
 - **78 Total by 31 Dec 00**
 - **Version 4.1**
- **AFMOA/SGOC -- Goal Champion**
 - **Col Sprester**
- **HQ ACC/SG -- Lead Command**
 - **Col Hamilton**
- **AFIERA/RS -- Program Office**
 - **Col Garland**

Integrated Approach

Integrated Risk Data

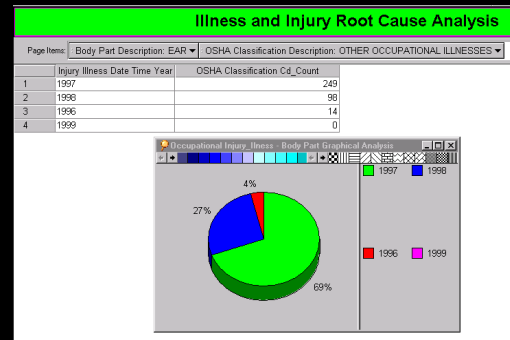

Numerous Data Sources

- Compliance
- Health & Safety Reports - Hazard ID
- After Actions
- Etc...

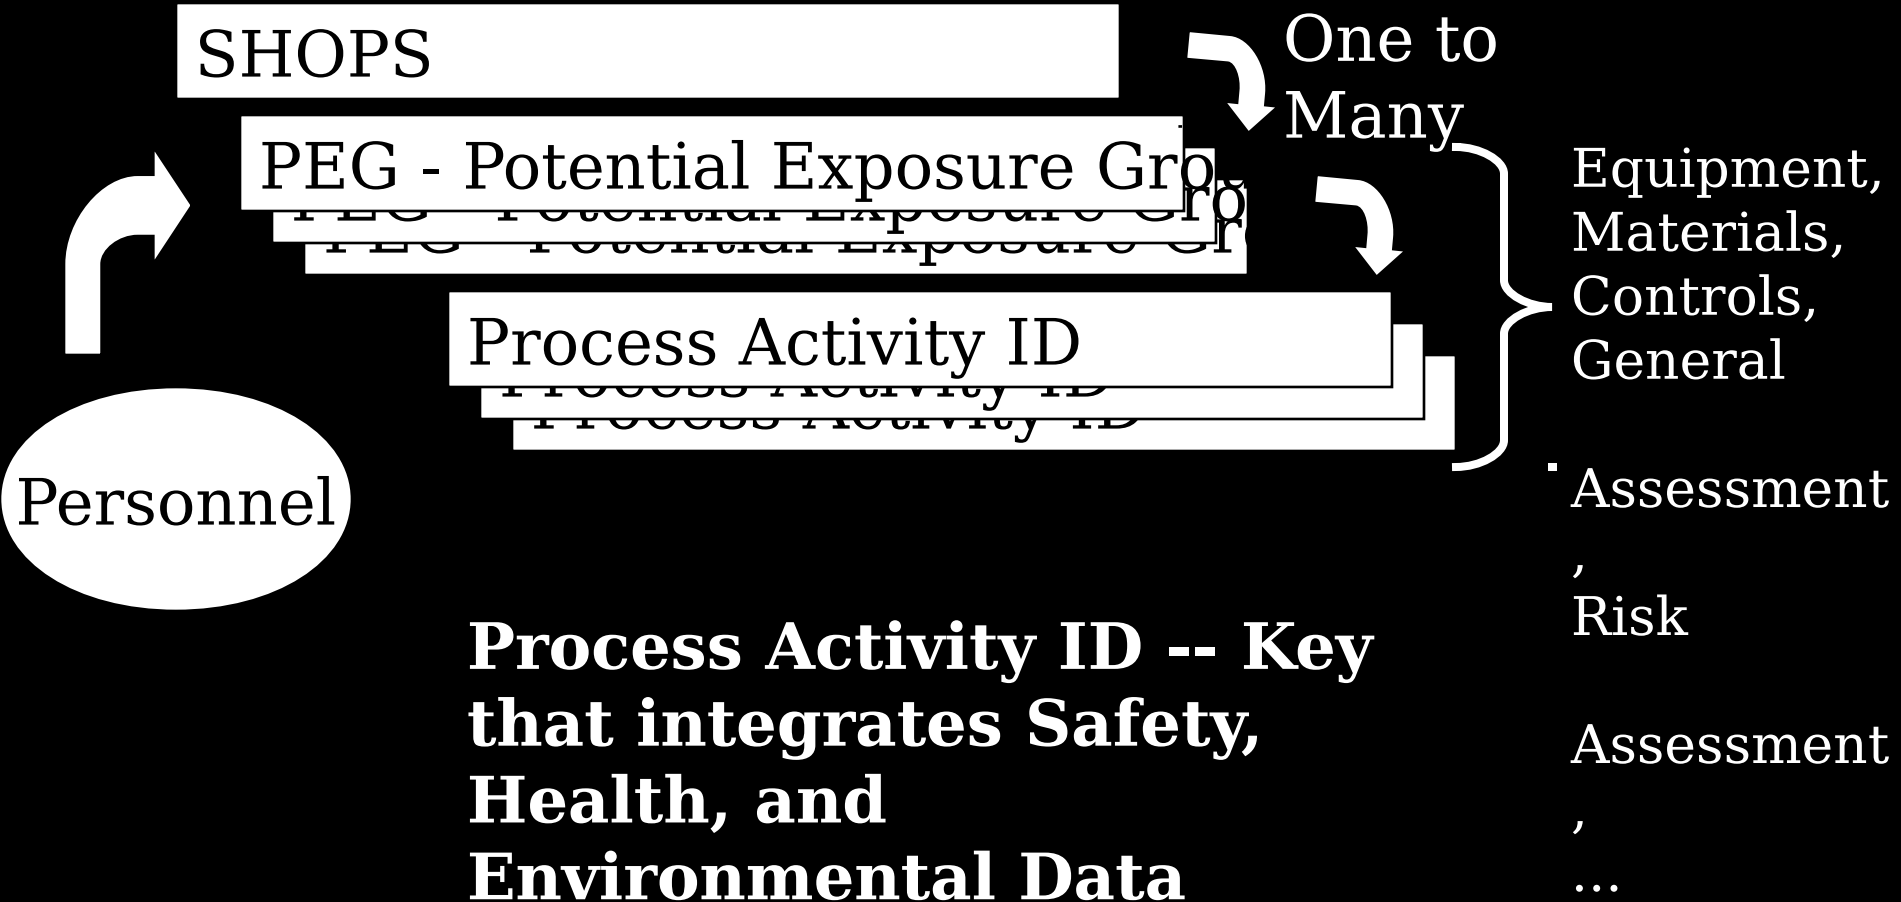

Customers at all levels

- 1 Key Report -- ORM Risk Foundation
- Impact to mission understood
- Begin ORM

Engaging the CCS Program Office

"We are not the BORG"

Red Alert

Assimilate

Options to Engage

- **Basic Change Request**
 - **Good if slight business change or data field desired**
- **Fund Change**
 - **Add functionality as “plug-in”**
 - **You manage or CCS PMO can manage**
 - **Integrate functionality into CCS**
- **Bottom-line**
 - **You control your involvement and OPR roles & responsibilities**
